INDEX FOR HYGEIA

JANUARY THROUGH DECEMBER, INCLUSIVE, 1947

Articles are indexed by author, title and subject matter. (E) indicates that the reference is to an editorial; (N) to a medical news note; (H in H) to an item in the Health in the Headlines department; (Q&A) to the Question and Answer department, and (IFM) to the Information for Mothers department. All other references are to original articles. Book reviews are indexed alphabetically by title under the heading "Book Reviews."

A
